To Whom It May Concern:

This letter is in response to a request regarding the registration of a private school in Florida. Our office has been asked to respond.

Private (non-public) schools in Florida are not licensed, approved, accredited, or regulated by the Florida Department of Education. Section 1002.42, Florida Statutes, does require private schools to complete an annual survey each year and submit it to the department. The department is then responsible for maintaining a database of the information contained in the annual survey. A directory of private schools is available at <http://www.floridaschoolchoice.org/Information/PrivateSchoolDirectory/>.

Genuine Digital School is registered with the Florida Department of Education's directory of private schools under school code 8822. The school is located at 980 N. Federal Highway, Boca Raton, Florida 33432. The individual in charge is Lina Maria Ramirez Gomez and the phone number listed is (305) 200-4735.

If you have additional questions, please contact the School Choice information hotline at 800-447-1636.

Sincerely,

Cathy Russell
